

Dont Cross The Line

At this seminar we will look at Runway Incursions. We will discuss what constitutes a runway incursion as well as how pilots can avoid having a runway incursion. We will look at airport signage and lighting. We will use interactive flash cards to review runway and taxiway signs and markings. We will also look at Land and Hold Short Operations (LAHSO) with how pilots might handle that landing clearance. Lastly, we will look at pre-flight planning and a FAA lesson on runway incursion avoidance.

A Pancake breakfast starts at 8:30 am please see additional information for details. Please click on the link below to register for this event!

Directions: From Route 313, take Old Easton Road Northeast to the Doylestown Airport entrance, at parking lot look for the "Pole Hangar". Follow your nose

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
